

FOR IMMEDIATE RELEASE

RM Investors, Inc. Signs Letter of Intent to Acquire DPS Instruments, Inc.

ONTARIO, CALIFORNIA - - October 1, 2007 - - RM Investors, Inc., a public company (OTC: RMII), has signed a Letter of Intent to acquire for stock DPS Instruments, Inc., an Ontario based company. If the acquisition is approved by shareholders of RM Investors, Inc. the shareholders of DPS Instruments, Inc. would become the majority shareholders of RM Investors, Inc. and change the name of the company to better reflect the new business purpose.

The acquisition, in addition to being subject to the approval of the shareholders of both companies, is subject to other conditions including the execution of a Definitive Agreement, exchange and review of financial statements, corporate documents and other information. Also, the Letter of Intent has certain requirements that must be completed within six months. They include: increasing the company's capital by one million dollars, sell at least 50 chromatographs within 90 days of the capital addition and other conditions.

If approved, RM Investors, Inc. would issue approximately 9 million shares of stock. Currently, RM Investors, Inc. has about 1 million shares issued and outstanding.

DPS Instruments, Inc. is a start-up company that has designed and produced modular gas chromatograph prototypes. A gas chromatograph is a laboratory instrument used to separate complex mixtures into individual components. RM Investors, Inc. is a public company with no business activity.

The common stock of RM Investors, Inc. is traded Over-The-Counter (OTC) with the symbol: RMII.
